Alberta's oil revenue is fully counted when calculating Equalization payments while provinces like Quebec undercount resources allowing them to appear "poorer". If hydropower were valued like oil, Quebec's payments could be reduced by billions

Q: WHY DOESN'T ALBERTA SIMPLY NEGOTIATE A BETTER DEAL FOR EQUALIZATION PAYMENTS OR OPT OUT ENTIRELY WHILE STILL STAYING WITHIN CANADA?

A: 7 out of 10 provinces would have to have a 75% majority agree to it. This is extremely unlikely considering how much 7 out of 10 provinces are benefitting from equalization payments.

Mount View Special Riding Association **Volunteer Training Night**

MVSRA provides a therapeutic riding program to children and adults with disabilities.

If you enjoy horses and people then this is a great opportunity for you to meet new people, help others and experience the positive effects of therapeutic riding.

Spring Session classes are on **Mondays** beginning in the week of May 4th and they run until the week of June 8th with a wrap up event on June 15th.

No experience is necessary.
Volunteers will need to complete a Vulnerable Sector Check
(Information about how to do this is on our website)

**Come on out for
Volunteer Training at the
Kaspian Equestrian Center
on Monday, April 27th, 2026
starting @ 7:00 p.m.**
