At that time
the sign of the Son of Man
will appear in the sky,
and all the nations of the earth will mourn.
They will see the Son of Man coming on the
clouds of the sky, with power and great glory.
And he will send his angels with a loud trumpet
call, and they will gather his elect from the four
winds, from one end of the heavens to the other.

Television's daytime drama "General Hospital" premiered April 1, 1963, as a half-hour series. It expanded twice: to 45 minutes on July 26, 1976, and to one hour on January 16, 1978. Its ratings climbed steadily in the late 1970s, and by 1980 it was television's top-rated soap opera.
