Recipe of the Week Fermented Ketchup

- 1 1/2 cups tomato paste
- 1/3 cup maple syrup
- 1 Tbsp Worcestershire sauce
- 1/8 tsp ground cloves
- 1/8 tsp cinnamon
- 1 tsp fine salt
- 2 Tbsp raw apple cider vinegar
- 2 Tbsp starter culture, like sauerkraut juice, kombucha, whey, etc

Steps:

1. Add all ingredients into large bowl, one by one and mix with spatula each time until well incorporated.
2. Add water a little bit at a time, to reach correct consistency. It should be slightly liquid and less like paste.
3. Put in a clean Mason jar, wipe rim clean. Place canning lid + band on, but not completely tight. You want some air to escape.
4. Let sit on counter for up to 10 hours, then put in fridge. Ready to use once chilled! Enjoy!
