**Myth:**  
"Alberta can't leave  
Canada -  
it's not legal."

**In 1998, the Supreme Court ruled that  
any province has the right to pursue  
independence if there is a clear  
majority vote** (that's from the  
landmark Reference re Secession of  
Quebec case).

**FACT:**  
Alberta has the legal right  
to leave. The law is  
already in place!

In response, **Parliament passed the  
Clarity Act in 2000**, confirming the  
same thing: if a majority of Albertans  
vote to leave, the federal government  
must negotiate our exit.

**No new laws are needed. We already  
have the constitutional path laid out.**

**We just have to choose it.**

# CIVIL WAR ENCORE

*Civil War battle reenactments give participants insights into history that cannot be equaled by textbooks. People have the opportunity to get a closeup look at what Civil War battles were like at places like Florida's Olustee Battlefield memorial where the 1864 Battle of Olustee is re-enacted annually.*
